

# Coverage that puts you in the driver's seat

Are you a safe driver?

Or maybe you're on the road less than the average driver is?

Usage-base Insurance like  
**"SmartRide" and SmartMiles"**

gives you more control over your insurance premium

It's an auto insurance rate that's personalized to fit your lifestyle and budget. After all, if you don't drive the same as everyone else,

***why should you have to pay the same for auto insurance?***
